

KUWAIT_U § 51 EXHIBIT BINDER — 100 EXHIBITS

Litman v. Goldberg, Index No. 524343/2025 (N.Y. Sup. Ct., Kings County)
NY Civil Rights Law §§ 50–51 (Misappropriation of Name) — Post-Arbitration Commercial Use Record
Prepared April 18, 2026 — Attorney Work Product / Privileged

Purpose and structure

This binder establishes the **systematic, multi-week pattern** of Richard C. Litman name-use in NGM's correspondence with Kuwait University (KUWAIT_U) during the post-arbitration window (6/14/2023 — 7/18/2025). It opens with **100 § 51 use exhibits**, one per email, each documenting a separate delivery of a USPTO document bearing Mr. Litman's name to KUWAIT_U. Each exhibit fits on a single letter page with metadata, attachment list, email body preview, and a legal-statement framing the § 51 use.

Legal theory

Per Mr. Litman's articulation (4/9/2026, refined 4/18/2026): Filing Receipts, Office Actions, Notices of Allowance, and other USPTO prosecution documents are **not public** until a patent issues or the application is published at 18 months (35 U.S.C. § 122). But Martha Long / NGM sent them to KUWAIT_U **on the date shown** in each exhibit. Each such delivery is an independent § 51 commercial use of Mr. Litman's name on the date sent. These uses are **weighted below** the weight given to issued patents bearing Mr. Litman's name on their front page, but they are material to proving the systematic repetitive pattern that goes to willfulness and to amplified damages.

Scale in context

Metric	Value
NGM → KUWAIT_U emails in window	2,506
Baseline candidates (attachment, USPTO-document-like)	1,637
Exhibits in this binder	100
% with self-labeled subject-line attachment descriptor	58.1%
Distinct KUWAIT_U docketed represented	160
Window	6/14/2023 (arbitration) – 7/18/2025 (termination)

Methodology

Candidates were drawn from *discovery_production/DATA/LITMAN_EMAIL_PRODUCTION.dat* (Concordance; 276,899 rows). Filters: sender in NGM domain; recipient in KUWAIT_U domain; at least one attachment; attachment filename or subject keywords indicate a USPTO document; date within the 6/14/2023 – 7/18/2025 post-arbitration window. Candidates were ranked by: (1) presence of self-labeled subject-line attachment descriptor, (2) attachment-type specificity, (3) explicit docket reference, (4) date. The full ranked CSV is at *output/KUWAIT_U_EXHIBIT_CANDIDATES_RANKED.csv*. This binder contains the top 100 by rank.

Dear Shaikha: I hope you are well. We have received an Office Action for Docket 33044.23U. Attached are the Office Action, our letter of notification and the references cited by the Examiner. The response is due by 3 October 2023. As noted in our letter, it is our opinion that a response to the Office Action, in the form of an amendment and arguments, should be filed. The fee for this is \$3,000.00. Please ask the inventors to review our letter and the references. We have proposed

Use: On 08/01/2023, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.

Use: On 08/31/2023, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.

Use: On 10/23/2023, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.

Use: On 11/07/2023, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.

Use: On 11/27/2023, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.

Dear Shaikha: I hope you are well. We have received a Final Office Action for Docket 33044.10 . Attached are the Office Action, our letter of notification and the references cited by the Examiner. The response is due by *19 March 2024.* As noted in our letter, at this point in the prosecution of your patent application, it is our opinion that a After Final (AF) response to the Office Action, in the form of an amendment and arguments, should be filed. Use: On 02/13/2024, Martha Long / NGM delivered the above USPTO document(s) to Kuwait University via email. Each attachment identifies **Richard C. Litman** as attorney of record on the matter. The delivery — independent of whether the underlying application ultimately issued — is a commercial use of Mr. Litman's name in the course of providing legal services to a paying client, dated this date for purposes of NY Civil Rights Law § 51. Uses on this tier are weighted below issued-patent-face uses but establish the systematic multi-week pattern that evidences a plan to "trust" the firm through repetition of the Litman name in KUWAIT_U client correspondence.
